

ST. JOSEPH'S CONVENT HIGH SCHOOL, CBSE - CHITTARANJAN

Cir. No 01/ 2023

"Education is the manifestation of perfection already in man." - *Swami Vivekananda*.

Dear Parents / Guardians,

The power God is an unshakable tower, which humanity can rely upon. I thank God and each time I think of you, I pray with joy. Yes, the power of God was always with us. He has guided us and protected us throughout the session and still continues to do so.

With these lines I like to highlight that, St. Joseph's Convent High School-CBSE, not only enhances the hidden talents of the students but also gives emphasis to the Integral Human Development of each person. Holistic education is imparted in developing a child's physical, emotional, moral, psychological and spiritual growth. Every person is a reflection of God and is worthy of respect. Through the value based education we teach students to respect every person and nature.

We live in an ever-evolving technological landscape with smart devices and millions of applications with easy-to-use technology at our disposal for browsing information, connecting to people around the globe with social media. Beneath the countless utilities lies the dark side of cybercrimes, which has affected the mental health of kids exposed to the internet in the early years. In the midst of threats and attacks students were inclined to this situation during the pandemic period and the effect has affected many students. In this situation the teachers had uphill tasks to mitigate these attacks to ensure that appropriate sensitization and awareness were provided. The students were guided not to be the victims of these gadgets; they were guided on a daily basis by conducting role plays and meaningful prayers during assemblies.

I am indebted to all my staff, both teaching and non teaching for playing a vital role in moulding and guiding the students, for completing the year 2022-23 successfully.

Dear parents, the School management appreciates your whole hearted cooperation and support. We do expect your valuable support in the coming session 2023-24.
